

Creating an Edmodo Parent Account

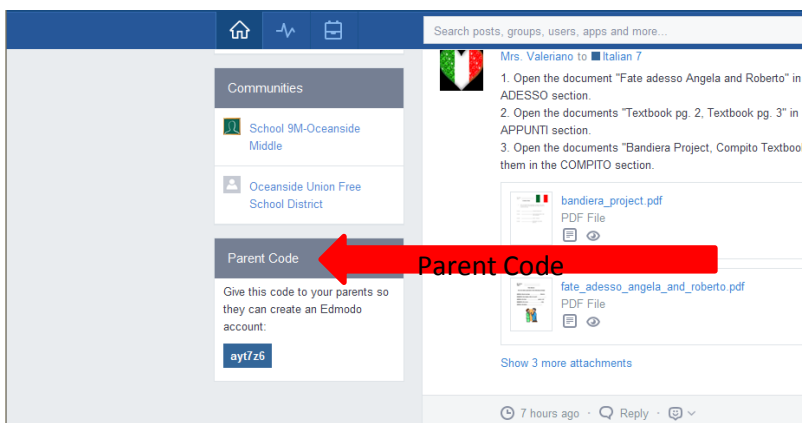

1. Go to **edmodo.com** and have your child sign-in to their Edmodo account.

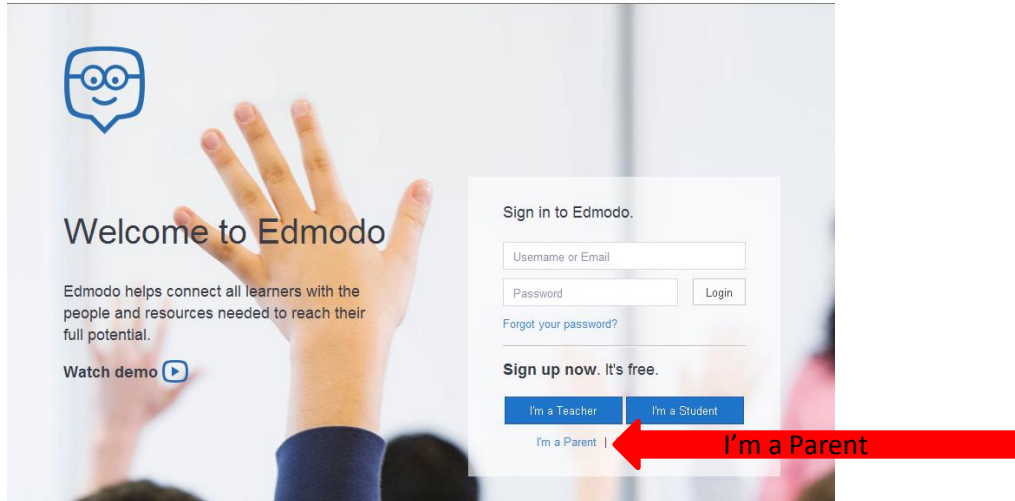

2. Once your child has signed-in, click on the **Home icon**

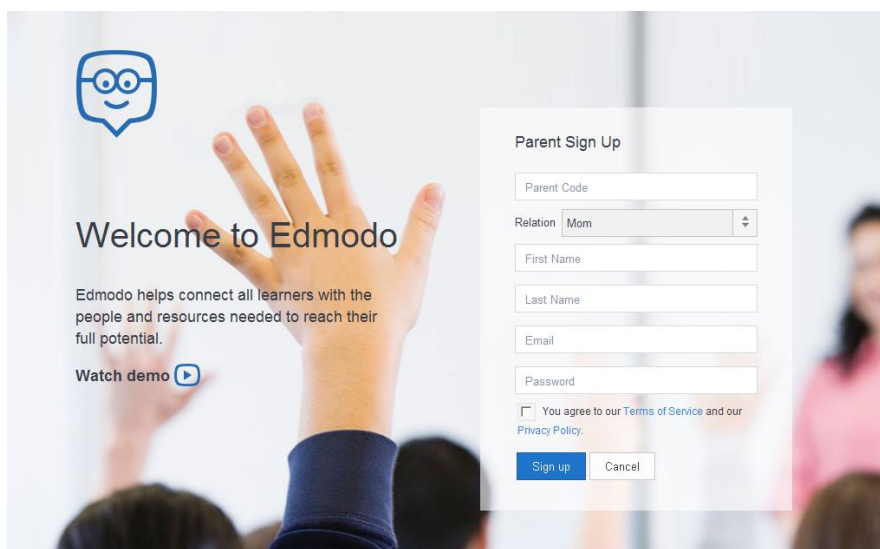

3. Scroll down and look for the **Parent Code** box on the left hand side of the page. **Copy this code** or write it down.

4. Now **sign out of your child's account** and go back to the sign-in page of **edmodo.com** and click on the **I'm a Parent** link

5. You will now see the **Parent Registration** page. Type in your **Parent Code, Name, and email, create a password and agree to the Terms of Service** then click **Sign Up**.

6. You now have your own Edmodo account and will be able to **see your child's calendar, assignments, etc.** at any time. Have fun exploring and please call Mrs. Johnson in the OMS Library if you have any questions.
